## **KANSAI SPECIAL UK-1004-ABOE BADGE MACHINE**

<b>Description</b>	A single needle three thread overlock producing a neat narrow bight stitch
<b>Application</b>	Used for sewing circular badges from 65mm to 90mm diameter
<b>Features</b>	Supplied with roller presser foot assembly and fitted with an adjustable round badge feed device. The feed device can be swung upwards when not in use so the machine can be used to sew different shaped badges.
<b>Options</b>	Available with needle position motor for easy loading of badges.
