MULTIPLEAT DB2-B746 mk II multi-cam pleating machine

Description

A single needle lockstitch multi-cam pleating machine with large capacity bobbin

Application

For pleating ribbon, lace, net, nylon and cotton fabrics.

Features

Supplied with three cams; #1 knife pleat, #2 box pleat, #3 Elizabethan pleat. Cams are interchangeable within 30 seconds to give a different pleating pattern.

Options

Optional extras include a ribbon feeding device and start/stop automatic control
